Our Story

Kinda like grandma's tea only completely different.

When we first dreamed of TBar, we wanted to do something unique and exciting with tea. So we said goodbye to traditional, boring tea and created something totally new!

We opened our first location in Chico, CA, in 2004, where we concocted our signature fusion of frozen, frosted, sparkling, steamed and iced tea libations.

Then we realized that people like to eat too. We applied our “fusion of flavors” approach to delicious (and healthy) bowls and wraps. The result? Award-winning create-your-own Fusion Bowls and Wraps that are the perfect flavor complement to our break-the-rules tea!

Our fresh take on a 5,000-year-old beverage has definitely caught on. Today we have four locations across Northern California. Some might call TBar a tea revolution.

All we know is that we're having a great time! So come on in and join the TBar family!
